HELLO SUNSHINE EXPERT TIPS FOR LIVING OFF THE GRID

SUSTAINABLE CHOICES

THE LITTLE CHURCH As well as being full of history and charm, The Little Church (pictured above), in Victoria's Spring Hill, is also an eco-venue with sustainable practices such as solar power and composting. littlechurch.com.au

POT & PAN CULINARY TAILORING Offering catering focused on seasonal, organic and local produce, Pot & Pan (pictured top right) supports smaller producers. They even pick up olive oil from an organic producer in metal tanks to lower waste. potandpan.com.au

ACRE OF ROSES A micro flower farm in Trentham, Victoria, Acre of Roses offers roses (pictured right), seasonal flowers, herbs and foliage without pesticides or floral foam. acreofroses.com.au

METTA MELBOURNE Focusing on slow fashion and natural fibres, this label's feminine linen pieces (pictured on previous page) are perfect for a relaxed wedding. mettamelbourne.com

TINK Jeweller Michael Tink remakes people's loved pieces and creates custom designs using ethically sourced gold, diamonds and gems. tink.com.au
